LIMITED WARRANTY

You are the reason for the success of our business and we want to do our best to retain your patronage for life. However, as Australia is a vast country with many different climates, soil and water types, **we offer no warranty expressed or implied, as to growth, productivity, description or quality and will not be responsible for the crop, as these factors are governed by forces beyond our control.** If the plants are found to have been wrongly labelled we correct the mistake with new plants, when reasonable evidence has been forwarded to our office.
If you feel or suspect there could be a problem with our plants, you should notify our office **within 4 weeks of receiving our plants,** so we can help you solve any problems that could be hampering the establishment of your new plants. **Any Claims forwarded after the four week period has elapsed may not be recognised.** All sales are made subject to these terms and if the purchaser does not accept the goods sold on these terms they are at once to be returned and your money will be refunded.
